Price List of Choice Fruit and Shade Trees, Shrubs, Evergreens, Etc. Grown by

A. M. RAMSEY & SON,

Proprietors of RAMSEY'S NURSERY,

Mahomet, Burnet County, Texas.

DEPOT AND EXPRESS OFFICE, BERTRAM.

LIBRARY
RECEIVED

U. S. Department of Agriculture.

When bills amount to five dollars or over, we prepay express to any express office in the State.

Our stock of trees is much larger this year than ever before.

We have been experimenting here for thirty-two years. Those who patronize us get the benefit of our experience.

Unless otherwise instructed, we sometimes substitute a few varieties, but we guarantee everything to be what it is labeled and we will refund the cost of mislabeled trees, and pay additional damages also.

This climate is one of extremes. We use varieties that are better to withstand them.

The difference in the value of a crop of fruit from a good tree and a poor one is much greater than the cost of the trees. It does not pay to plant inferior stock, no matter how cheap.

Fruit is both a luxury and a necessity. Try an assortment of plums.

If it pays to raise corn and cotton, it pays better to raise what fruit your family can use.

Ornamentals in a yard, with a well kept orchard, tell of happiness and refinement in the home.

Orders are received at any time during the year, and delivered at any time between the 20th of November and 15th of March.

BALTIMORE BELLE, climbing, one year 35 cents, two years 50 cents.

MOSS ROSES, pink 35 cents, red and white 50 cents.

ORNAMENTAL GRASSES.

These are very hardy, requiring little attention. All admire them during the growing season, and of their plumes beautiful winter bouquets may be made. We name the height to which they grow.

Eulalia.—Rich green color with delicate plumes, five to six feet 35 cents.

Eulalia Zebrina.—(Zebra Grass) Same as above with white bars across the blades, very attractive 35 cents.

Eulalia Variegata.—(Variegated Grass) Striped blades 35 cents.

Eulalia Univittata.—Two to three feet, very hardy and graceful. Fine little plumes 35 cents.

Gynerium Argenteum.—(Pampas Grass) Eight to ten feet, silver plumes 50 cents.

Gynerium Roseum.—Rose colored plumes, eight to ten feet 50 cents.

Erianthus Ravennæ.—(Mock Pampas) Eight to ten feet, profuse blooms and plumes last out doors for several months, 35 cents.

Lemon Grass.—Sweet scented. A delightful perfume is made from the leaves. Tea made of it is a favorite beverage in Asia and Mexico. It is highly valued for its medicinal properties. The sweet fragrance of the blades makes it a great novelty. Strong clumps 50 cents each.

The publication of this list was delayed until after the hard freeze of March 18th. We find our Nursery Stock uninjured, so we will be able to furnish every variety mentioned.
